## AUTHORIZATION

Exercising its sovereign authority to regulate hunting on the Colville Reservation and in accordance with the United States Supreme Court's decision in *Antoine v. Washington*, 420 U.S. 194 (1975), the Colville Business Council of the Confederated Tribes of the Colville Reservation promulgates such regulations as it deems proper and necessary to carry out the policy of the Colville Tribes with respect to hunting. These hunting season regulations have been promulgated in the interest of preserving, protecting, and perpetuating the wildlife resources of both the North Half and South Half of the Colville Reservation and providing for public safety.

The following regulations are hereby enacted pertaining to seasons, open areas, bag and possession limits of animals harvested, equipment restrictions, public safety, harvest reporting, licensing, tags and special permits. These regulations are issued pursuant to Tribal Fish and Wildlife Code, adopted by Colville Business Council Resolutions 1997-491, and 2023-605.

All hunting season regulations contained in this pamphlet are valid starting September 1, 2023 through August 31, 2024. These regulations will remain in place until new regulations are developed or otherwise stated.

## **MANDATORY NON-TRIBAL MEMBER HUNTER HARVEST REPORT**

***You must report your harvest, even if you did not hunt, no later than March 31, 2024 by logging into your account at <https://colville.nagfa.net/online>.***
