

Colville Confederated Tribes Fish & Wildlife Department

Special Hunt Application Information

Special Hunt Applications are open now and are due by midnight June 30, 2020

Drawing will occur on July 15, 2020.

Successful winners will have until July 31, 2020 to claim their tag by calling one of our offices at (509-634-2110, 509-422-7529 or 509-722-7659), **otherwise the tag will be redrawn for another hunter on August 5.**

Due to COVID-19, we are not accepting walk-in or hard copy applications. We are urging tribal hunters to utilize the online program to apply. However, we understand that some people do not have access to the internet, so we will accept call-in applications at our offices (509-634-2110, 509-422-7529 or 509-722-7659). Until we know more about how COVID-19 will impact our operations further into the summer, we may use the USPS as our primary strategy of distributing tags in 2020.

You can apply for Special Hunts online at: <https://colville.nagfa.net/online>

1. If you have been issued a tag in the past, you are already in the system. Login using your name and Tribal Id Number. **If you have any issues logging in, please call CTFW at (509) 634-2110 or (509) 722-7659.**
2. Sign into your account on <https://colville.nagfa.net/online>. If you are not in the system, register online.
3. Verify your personal information.
 - a. To update, click "Edit Personal Information" and update as needed.
 - b. If the system has you as a tribal member but you are a tribal member elder, please contact one of our offices to be updated. The only way that you can put in for an Elder Hunt is if you are categorized as an Elder in the system.
4. Look for "Click here to Submit Harvest Reports" and complete any remaining harvest reports from 2019 under "Available Seasons."

5. Once all harvest reports are submitted, look under “Available Seasons,” and select “2020.”
6. Click “Tribal Member Special Hunt Entry.”
7. Use the drop down box to select the hunts that you want to enter into. Add all hunts that you want to the list. Click “Next.”
8. Verify that you have all the hunts and then continue. The entries are free, so no payment method is needed.
9. Continue and then print the “Finish” page for your records. You have entered for the hunts selected and are done. Close the website if you are finished.
10. **To verify**, you can go back to your “Personal Information” page, again select the “2020 Season” under the “Available Seasons” and then click “My Lotteries.” The lotteries that you applied for will be listed.

Notes:

- There are no wait periods any more, except for Bighorn Sheep Hunts. If you drew a Special Hunt Tag for any species (except BHS) in the last few years, you are still eligible to enter for those Special Hunts.
- Also, if you have passed your Archery Proficiency Test in 2019 or 2020, you are eligible to enter for Archery Hunts. If you have not passed the test, your invalid entry into an archery draw will be invalidated.
- On this new system, your points are added exponentially each year. So, if you have entered for the last 5 years, this year’s entry (5+1) would give you 36 points [(5+1)² or 6*6]. With 36 points, a hunter’s name will be entered into the drawing 36 times versus the newly entered hunter with 1 point/entry. We hope that this new method will give those that have not drawn for a long time a better advantage in drawing the tag. **All of your points from the old system have been added to the new system.**
- Also, you are able to submit for both archery and rifle hunts for each area (i.e. SH Moose archery and SH Moose Rifle). However, if you are drawn for either, you will lose your points for both (see chart below).

<i>CCT SPECIAL HUNT POINTS</i>				
Special Hunt Title	Location	Variation	Allocated Tags per year	Points
Nine Mile Deer	Nine Mile Hunt Unit	Archery	6	Drawn for any, lose points for all
		Rifle	6	
		Youth	6	
		Muzzleloader	6	
		Late Season	6
